Serving the Children of the World

It is all about the kids.

About the Club and the Kiwanis Organization

Kiwanis is a global organization of volunteers dedicated to improving the world, one child and one community at a time. Established in 1958, the Kiwanis Club of Williamsburg (KCW) is made up of members dedicated to serving the children of the Williamsburg community and children from around the world. Joining together to provide community service and to raise money for local nonprofits and international efforts for good, everyone has something to offer.

Defining Principles

1. To give primacy to the human and spiritual, rather than to the material values of life.
2. To encourage the daily living of the Golden Rule in all human relationships.
3. To promote the adoption and application of higher social, business and professional standards.
4. To develop, by precept and example, a more intelligent, aggressive and serviceable citizenship.
5. To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service and to build better communities.
6. To cooperate in creating and maintaining that sound public opinion and high idealism, which make possible the increase of righteousness, justice, patriotism and goodwill.

Through Kiwanis Club of Williamsburg, You Can:

Develop Future Leaders

Our Kiwanis family includes our Service Leadership Program (SLP), where SLP clubs range in age from elementary school to college groups. By promoting community involvement and developing future leaders, our club supports our Service Leadership Program students as they serve the community.

- The College of William & Mary CKI
- Jamestown High School Key Club
- Lafayette High School Key Club
- Walsingham Academy Key Club
- Berkeley Middle School Builders Club
- JB Blanton Elementary School K-Kids Club
- Matthew Whaley Elementary School K-Kids Club
- Aktion Club, a service club for adults with disabilities

By promoting community involvement and developing future leaders, our club supports our Service Leadership Program students in their service to the community.

Financially Support the Community's Children

Over the years we have supported many community programs. Our "Headliner" program funds local 501(c)3 charities with substantial, one-time donations.

Past Headliners: One Child Center for Autism, Grove Christian Outreach Center Summer Lunch Program, Literacy for Life Adult Reading Program, Dream Catchers, Child Development Resources, and a joint initiative with other Kiwanis Clubs for the Kiwanis Kid's Idea Studio at the Williamsburg Regional Library, James City County Library

Annual Grants: W&M Swim Team Fundraiser for the American Cancer Society, Southeast Region Kiwanis Fishing Tournament, ARC of Greater Williamsburg, Williamsburg Baseball League.

For several years, members have also contributed to worthy projects such as the Foundation's Wilber Davis KIDS Program and the regional "Shoe Lady" Initiative.

Volunteer in Our Community

KCW organizes and participates in community service projects on an ongoing basis. From efforts that support our schools, our troops, beautification projects, and local families in need, there are many ways that you can join us in serving our community.

Here are some of the projects we engage in throughout the year.

- Gloucester Kiwanis Bowl-a-thon
- Colonial Williamsburg Christmas Tree Lighting
- Kiwanis One-Day Project
- Reading is Fun with Head Start
- Marshals for Run The DOG Street 5K
- Salvation Army Bell Ringing
- USO Staffing at Newport News Airport
- Williamsburg Christmas Parade
- LPGA Hole 17 at Kingsmill
- REV3TRI, Williamsburg's Triathlon
- Adopt-a-Highway

Support Our Foundation

Kiwanis Club of Williamsburg Foundation at the Williamsburg Community Foundation

As a member of KCW, you are also a member of our Foundation. The Foundation's primary purpose is to provide financial support to children in the Williamsburg area. It does so by offering grants that serve to couple with KCW's fundraising proceeds, where together these separate sources of funds create a maximum one-time gift for the year's chosen Headliners. Headliners are chosen through an in-house approval process, with non-profit missions for children that align with our own.
