*New Board Member

Caren's Year Begins!

Kiwanis is a global organization of volunteers dedicated to
changing the world one child and one community at a time.

Today's Speaker: *Ct. Peter Scheu*

Lt. Peter Scheu grew up in Lancaster, VA. After graduating from the Naval Academy, Lt. Scheu performed three years of flight school and one three-year fleet tour with Strike Fighter Squadron One Three Six (VFA-136), also known as the "Knighthawks."

The "Knighthawks" are an operational fleet squadron flying the F/A-18E Super Hornet and are attached to Carrier Air Wing One (CVW-1), which is assigned to the USS Enterprise. They are ported at Naval Air Station Oceana, home to 17 strike fighter squadrons each consisting of 10 to 12 F/A-18 Hornets and F/A-18 Super Hornets. Their tailcode is AB and their radio callsign is Hawk.

Lt. Scheu is a recent graduate of the United States Navy Strike Fighter Tactics Instructor program,

Lt. Peter Scheu

better known as TOPGUN. The TOPGUN course is designed to train already experienced Navy and U.S. Marine Corps aircrews at the graduate level in all aspects of fighter aircraft employment, which includes tactics, hardware, technique and the current world threat. The course includes 80 hours of lectures and a flight syllabus that pits students against TOPGUN instructors. When each aircrew have ended their TOPGUN course they will return as a Training Officer carrying the latest tactical doctrine back to his/her operational squadron, or go directly to an FRS squadron to teach new aircrews. SFTIs can also become instructors themselves at TOPGUN at

one point in their career.

Currently, Lt. Scheu is on shore tour with Strike Fighter Weapons School, Atlantic.

A Day of Transition, Recognition

Kiwanonotes

Kiwanis Grant Recipient Reps Invited To Attend Nov. 4 Meeting

The grant committee has sent an e-mail to the organizations that we were unable to fund for the year ending September 30, 2009. We have also mailed notification letters and checks to this year's grant recipients. The recipients have been invited to send one representative from their organization to attend our November 4 club meeting.

Because we have a guest speaker that day, a decision was made that each organization's representative will be introduced from the podium at the same time as our regular guests and will not be given time to address the club. Should you have any questions for the grant recipients, please plan to stay after the club meeting to talk with them or feel free to contact them directly.

Just in case you missed the list of recipients, they were in the Oct. 7 Kiwanogram.

"Reading Is Fun" Cancelled This Week, Resumes Oct. 28 at Norge

Bill Wren reports that there will be no "Reading Is Fun" readings this week, and that the program will resume next week at Norge Elementary School. Be sure to contact Bill if you wish to participate in this very rewarding experience.

Spring Event Planning Meeting To Take Place After Regular Meeting

Bill also invites anyone interested in participating in the planning process for the big Spring event next May to join him for a meeting immediately after this Wednesday's regular meeting.

Kiwanis Family Korner

Since the first few days of this school year the **Lafayette Key Club** has been off and running, completing projects and accumulating lots of service hours. In September they kicked things off with their annual Blood Drive generating 62 units of blood and exceeding their goal. Members also turned out in force to assist with the Kiwanis Club's Shrimp Feast, not only fulfilling our request for nine members to handle setup in the morning, but also providing nine members to work serving for the event from 3 until 7.

The club has over 100 members and is still growing. The weekend of Oct. 12, they participated in the James City County Parks and Recreation 2009 Fall Festival and Haunted Forest. Members are doing a food drive to benefit FISH and also in October will be volunteering for the NRT Disaster Preparation Drill where they will pose as victims with various types of wounds for this important training event.

Planning is underway for bell ringing for the Salvation Army and volunteering at the Heritage

Lafayette High School Key Clubber Jacob Mair gives blood at LHS's first blood drive of the year.

Humane Society. They have also set the date of February 23 to hold their second Blood Drive for the year.

The club is also active in working on the Key Club District Project which this year is the Lackey Free Clinic. They will be fund raising for this project at the PTA Yard Sale and will also be volunteering at the clinic.
