President's Message

Happy New Year!
New Challenges,
Service Await Us

Today we begin a new year in Kiwanis. Your leadership team is ready and willing to lead this club into another successful year.

We are a great club with a rich history and filled many fine members. I am proud to be a member of the Kiwanis Club of Williamsburg and honored that I have been selected to be your President. Over the next several weeks I will share with you the outcome of our club survey and I will make my best effort to lead this club where it wants to go.

I challenge each of you to step up and help us help the children we serve.

"What lies behind us and what lies before us are small matters compared to what lies within us."

– Ralph Waldo Emerson

Our Sponsored Clubs Already In Full Swing With 12 Projects

Our CKI Club at W&M is already involved in 12 standing service projects that will carry on throughout the semester, some for the full year. They served more than 375 hours for September, and are eager to help with our Reading is Fun project this month.

The Jamestown HS Key Club held the first of five blood drives in this academic year in conjunction with the Red Cross. They recruited more than 100 student and school staff donors and baked 10 dozen cookies for the after-donation "Canteen."

All the clubs are aggressively recruiting new members. The numbers are rising rapidly. CKI is trying to reach 62 members as a goal, one more than it had last year. JHS Key Club will have to work to reach 400, which they reached this past spring.

JHS Key Club members baked 10 dozen cookies!

Both LHS and Walsingham Academy Key Clubs expect no fewer than 100 members each for their clubs.

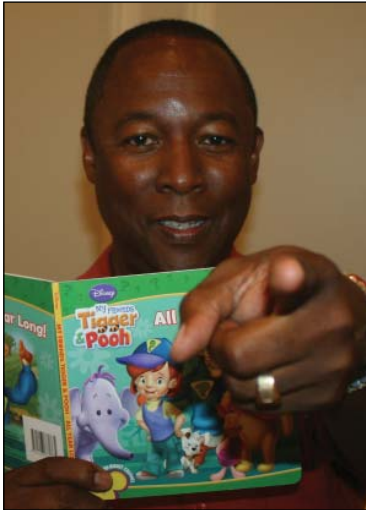

The Builders and K-Kids Clubs had an interest/information meeting last week to recruit new members. Officer elections will occur soon. The WA Key Club will work closely with the Builders Club this year, as

will CKI members. The Aktion Club has a great year planned with service and fundraising activities on the books.

All these clubs started off the school year with a bang by providing both quantity and quality support to our Shrimp Feast. And they had fun! Please support them by attending one of their meetings now and then. Contact Tom French 565-1138 or jtfrench@aol.com for meeting schedules.
