*Scott welcomes Gov. and Mrs. Don Dudey to Monday's event.*

## Divisions 13, 23 Host District Gov. Don Dudey at Dinner

Division 13 and 23, including about 16 members from the Kiwanis Club of Williamsburg, held a joint picnic dinner Monday at the Historic Triangle Building in honor of Gov. Don Dudey and his wife Jan. Don was visiting from his home club in Reisterstown, MD.

After registration, all received a card that needed to be signed by a member of a visiting club. This was a great way to meet members from other clubs in the region. There was a short business meeting with Gov. Dudey, followed by dinner. Our Aktion Club members did an outstanding job selling \$258 of 50-50 raffle tickets, half of which will go to the Foundation as a donation from Governor Dudey in memory of Warren Kane.

Don commended both divisions from this area on the great work they do to further the goals of Kiwanis.

*(More photos on page 3)*

Kiwanis is a global organization of volunteers dedicated to changing the world one child and one community at a time.

## *Today's Speaker: Frank W. Kowaleski*

Frank is a native of Western Pennsylvania and a US Navy veteran. He started his Law Enforcement career in 1970 with the Hampton Police Division, in Hampton.

During his 11 years with HPD he served in various areas including patrol, administration and investigations. But the bulk of his time was spent in Crime Scene Reconstruction and Investigation.

In 1980 Frank became an adjunct instructor at the regional criminal justice training academy, teaching Crime Scene procedures. In 1981 he left the PD to become the Assistant Director of the Hampton Roads Criminal Justice Training Academy, providing entry level, in-service and specialized training for Law Enforcement, Corrections and 911 operators in Southeastern Virginia. In 2001, just days after opening a brand new training facility, Frank retired as the academy's executive director.

After retiring he joined the staff of the Virginia Association of Chiefs of Police, as director of programs. While there, he was given the opportunity to work on a three-year cooperative agreement with NHTSA as project director of the group that

researched, developed, piloted, and evaluated the ARIDE program.

In 2008 Frank became the Law Enforcement Liaison for the Eastern Region of Virginia's Highway Safety Office, a job he still holds.

Frank is a graduate of the Institute of Applied Sciences, and has an AAS in Police Science from Thomas Nelson College, a bachelor of science degree in Criminal Justice Administration from St. Leo University and is a graduate of the Professional Executive Leadership School, University of Richmond.

He is also a life member of the International Association of Chiefs of Police, and serves on its Highway Safety Committee, and the Technical Advisory Panel. He is on the board of directors of Drive Safe Hampton Roads and serves as chairman of the Peninsula chapter.

Frank serves on the board of directors for the ARC of greater Williamsburg, and serves as a lay minister at his church, St. Olaf Catholic Church in Norge.

He lives in Williamsburg with Nancy, his wife of 42 years, and Jamie, his daughter. He has two other children and eight grandchildren.

## *We Can Help Local Boys & Girls Club Just By Voting*

There is a \$50,000 Pepsi Challenge Grant available to our local Boys and Girls Club, and we can help them possibly get it simply by voting! Vote every day until the end of the month. Here's how to do it: Go to the following site: <http://www.refresheverything.com/childrensvillageliveskillseducationcenter>. Click on "vote for this idea." Log in and vote for Boys and Girls Clubs of the Virginia Peninsula's Workforce Readiness Program.

Please vote EVERY DAY and spread the word to your friends. This will 1) help at least 150 teens graduate from high school each year and be job ready; 2) help to implement the "Goals for Graduation" program; 3) help to implement career exploration and life skills training classes, and 4) help to implement workforce development and job ready training classes.

All we have to do is vote...then vote again! PLEASE ACT NOW! We only have until the end of June.

## *Dare We Ask: Could KIDS Program Raise Up To \$10,000?*

One of our most cherished freedoms as Kiwanians is the opportunity to give to our community ... as servants, as fundraisers, as donors.

Our Kiwanis Is Delivering Smiles (KIDS) program is just getting started, but we have already received more than \$3,600 in donations from 29 members of our Foundation and 21 members of our community. Folks are starting to whisper that we could be heading for a total that exceeds \$10,000! That would break all the records for giving by this organization and it would make a proud statement about our health and vitality as a club.

Our Foundation Board recently set the following levels of annual giving:

- 0-\$99 Patriots
- \$100-\$249 Builders
- \$250-\$499 Blue & Gold
- \$500-\$999 Pillars
- \$1000+ Foundation Leaders

As you reflect upon your passion and ability to give to this wonderful cause, please know that every dollar you share will not only make a child's life happier and filled with memories, it will go to our continuing commitment to the youth of our fair city.
