## Nominations Sought For Our Club's Most Prestigious Award

Nominations are now being accepted for the most prestigious award in our club: The Korczowski-Fuller Award. We have posted the newly approved policy for awarding the K-F award below. Please read it carefully and let us know if you have any need for clarification. Nominations will remain open until March 1.

As per the Bylaws, the President appoints all committee chairs and members. It is customary that the Korczowski-Fuller Award Committee is composed of past recipients of the Korczowski-Fuller Award. It is suggested that the committee be composed of a minimum of 3 and a maximum of 5 members.

The award is considered the most prestigious award bestowed by the club. The award does not have to be awarded every year, if a suitable recipient can not be determined. Nominees for the award are usually Kiwanis Club members. Non-members who have been very supportive to the club can be considered. The award is given to recognize both community service as well as outstanding service to the Kiwanis and in support of Kiwanis projects.

Candidates should not be given credit for community work that falls within their job description. Candidates should not be excluded if their primary source of community service is through the Kiwanis Club. The award was named to honor John Korczowski for his leadership in guiding the Kiwanis Club to build Kiwanis Park. The award was also named to honor Jimmy Fuller for his years of service as a scout master in the Boy Scouts.

The award should be awarded in May. The Committee should solicit candidates from the membership at least three months prior to the award date. The membership should be educated about the award as the committee solicits candidates. The committee may create an application or other process that may be necessary to

Kiwanis International is a global organization of members of every age who are dedicated to changing the world, one child and one community at a time.

## Today's Speaker: *Lisa Gibson*

Lisa became the executive director of Colonial CASA in July 2010. She is the former director of the Historic Triangle Senior Center. She led the Center through accreditation process with the National Institute of Senior Centers.

*Lisa Gibson*

There are only two other accredited senior centers in Virginia. Before moving to Virginia, Lisa served as the Executive Director of the Putnam County Community Foundation and Vice President of the Mental Health Association in Indiana.

"I am very honored and excited to be chosen for this position," said Gibson. "I served as a CASA volunteer for several years in Indiana. It is such a wonderful organization with a critical mission. Child abuse and neglect affect every socio-economic level of our society, and I'm delighted to be in a position where I can help these children have a voice."

Lisa has a Certificate in Nonprofit Management and a Master's in Business. She was recently accepted into the "Leadership Historic Triangle" which is sponsored by the Greater Williamsburg Chamber of Commerce.

evaluate candidates. It is recommended that there should be at least three nominees; however nothing shall prevent the committee from recommending a recipient in the absence of multiple candidates.

Only one award should be granted per year. The award may only be bestowed one time on a recipient. Once the committee has selected a recipient it must be presented to the Board of Directors for board approval. If secrecy is desired, in the event that a board member is the potential recipient, then the board can be polled privately. The plaque has been made by Fleming's Engraving in the past.

The committee should always be on the lookout for potential recipients.

# Plan Now To Attend 6th Annual K-Family Reunion

“Accessibility, Building and Commitment” will be the ABCs of this year’s Mid-Winter K-Family Reunion of Hampton Roads Region Kiwanis Clubs, to be held Saturday, Feb. 12, at Old Dominion University’s Webb Center.

“This is going to be an awesome event this year,” says District 23 Lt. Gov. Tim Meyer. “I invite everyone from the Kiwanis Club of Williamsburg to participate in this annual pilgrimage, where we renew our dedication to service, while having a lot of fun in the process.”

Registration is \$30 per person, which includes all programs, continental breakfast, morning break service (coffee and soda), and a hot lunch. More details about the workshops to be offered at the conference will be forthcoming.

All registrations must be in by Jan. 28. You may register online by logging on to [www.hrmidwintrkfamilyreunion.com](http://www.hrmidwintrkfamilyreunion.com). One of the major efforts to take place during the conference will be “Ten Thousand Meals,” part of the Stop Hunger Now Project for 2011. Each club is being asked to donate \$50.
